REVIEWED BY: Jeffrey B. Richardson

BACKGROUND: The ground floor of the Crozet Library has two spaces for which the Jefferson-Madison Regional Library (JMRL) has no immediate use. On July 3, 2013, the Board directed staff to move forward offering leases for the spaces. At its September 4, 2013 meeting, the Board approved a lease with Crozet Running LLC for the larger of the two spaces (1,697 square feet). On July 31, 2020, the owners of Crozet Running LLC gave notice that they did not desire to renew their lease.

STRATEGIC PLAN: Thriving Development Areas - Attract quality employment, commercial, and high density residential uses into development areas by providing services and infrastructure that encourage redevelopment and private investment while protecting the quality of neighborhoods.

DISCUSSION: On December 10, 2020, staff solicited proposals for a new tenant, advertising the lease opportunity on the County's website, as well as in five regional newspapers. Submittals were due no later than January 11, 2021. Two proposals were received. A team comprised of staff from Community Development, Facilities and Environmental Services, and the Office of Economic Development evaluated the proposals. All

ranked the Crozet Sports Community Foundation (CSCF), a non-profit offering athletic, academic, and child support programs, as their first choice. The Office of Equity and Inclusion was also asked to review the proposals and identified no concerns. Subsequently, the proposed lease (Attachment A) was negotiated. The initial term is for five years, commencing June 1, 2021, after which it would automatically renew for additional one-year terms unless either party gave written notice of intent not to renew. The initial rental rate would be \$19.68 per square foot per year, which includes the cost of utilities and trash service. The rate would be indexed for inflation annually based on the Consumer Price Index. The proposed lease would also allow the Tenant rent-free occupancy from June 1, 2021 through June 30, 2021, to make certain improvements to ready the space for occupancy. This provision is consistent with past County practice.

Virginia Code § 15.2-1800 requires the Board hold a public hearing prior to the proposed conveyance of this interest in County-owned real property.

BUDGET IMPACT: With there being no charge for the first month's rent, this lease is expected to generate \$30,613.88 in the 11 months from July 1, 2021, through May 31, 2022, in its first year.

RECOMMENDATION:

Staff recommends that the Board schedule a public hearing to receive comments from the public regarding the proposed lease between the County and the CSCF.
