BACKGROUND: Virginia Code §15.2-2507 provides that any locality may amend its budget to adjust the aggregate amount to be appropriated during the fiscal year as shown in the currently adopted budget; provided, however, any such amendment which exceeds one percent of the total expenditures shown in the currently adopted budget must be accomplished by first publishing a notice of a meeting and holding a public hearing before amending the budget.

STRATEGIC PLAN: Mission: To enhance the well-being and quality of life for all citizens through the provision of the highest level of public service consistent with the prudent use of public funds.

DISCUSSION: The total increase to the FY 2018 budget due to the appropriation itemized in Attachment A is \$15,000.00. A budget amendment public hearing is not required because the amount of the cumulative appropriations does not exceed one percent of the currently adopted budget.

RECOMMENDATION:

Staff recommends that the Board adopt the attached Resolution (Attachment B) to approve appropriation #2018060 for the CATEC/Rio Wildflower Meadow Project as described in Attachment A.
