BACKGROUND: Virginia Code §15.2-2507 provides that any locality may amend its budget to adjust the aggregate amount to be appropriated during the fiscal year as shown in the currently adopted budget; provided, however, any such amendment which exceeds one percent of the total expenditures shown in the currently adopted budget must be accomplished by first publishing a notice of a meeting and holding a public hearing before amending the budget. The Code section applies to all County funds, i.e., General Fund, Capital Funds, E911, School Self-Sustaining, etc.

STRATEGIC PLAN: Mission: To enhance the well-being and quality of life for all citizens through the provision of the highest level of public service consistent with the prudent use of public funds.

DISCUSSION: The total increase to the FY 2018 budget due to the appropriation in Attachment A is \$ 45,000.00. A budget amendment public hearing is not required because the amount of this appropriation does not exceed one percent of the currently adopted budget.

RECOMMENDATION:

Staff recommends that the Board adopt the attached Resolution (Attachment B) to approve appropriation #2018076 for local government and school division projects and programs as described in Attachment A.
