STRATEGIC PLAN: Mission: to enhance the well-being and quality of life of all citizens through the provision of the highest level of public service consistent with the prudent use of public funds.

DISCUSSION: The Office of Equity and Inclusion has been privileged to work with several community partners during its second year. The second-year report to the Board of Supervisors will include an overview of the collaborative and capacity-building initiatives we have shared with the community, as well as some quantitative analysis of the experience of well-being in Albemarle County.
