AGENDA DATE: 2/15/2023

TITLE:

Rivanna Solid Waste Authority Ivy Materials Utilization Center FY 24 Tipping Fees and Charges

SUBJECT/PROPOSAL/REQUEST: Proposal to Adjust Tipping Fees and Other Charges for the Ivy Materials Utilization Center for Fiscal Year 2023-2024.

ITEM TYPE: Regular Action Item

STAFF CONTACT(S): Richardson, Walker, Rosenberg, Herrick, Stewart

PRESENTER (S): Lance Stewart, Bill Mawyer

LEGAL REVIEW: Yes

REVIEWED BY: Jeffrey B. Richardson

BACKGROUND: The Rivanna Solid Waste Authority (RSWA) operates the Ivy Materials Utilization Center (MUC) on behalf of Albemarle County and City of Charlottesville. The site includes a solid waste transfer station, which receives Municipal Solid Waste (MSW) from trash haulers and the general public. A variety of other materials are collected at the facility, as detailed in the Rate Schedule included with a letter from the RSWA Executive Director dated December 2, 2022 (Attachment A). Albemarle County has full fiscal responsibility for covering all costs associated with the transfer station, after revenue from tipping fees is accounted for. A 2016 amendment to the Ivy MUC Programs Agreement between the County and RSWA was the vehicle by which the transfer station was constructed. The agreement specifies that any changes to tipping or other fees must be requested by the majority vote of the Albemarle County Board of Supervisors, prior to adoption by the RSWA Board of Directors.

STRATEGIC PLAN: Quality Government Operations - Ensure County government's capacity to provide high quality service that achieves community priorities

DISCUSSION: In response to a steady increase in annual tonnage received and to rising costs for operation of Ivy MUC, by letter dated December 2, 2022 (Attachment A), the RSWA Executive Director formally proposed that the Board of Supervisors consider an increase in tipping fees for MSW, Construction Debris, and Vegetation/Yard Waste. The letter also proposes eliminating fees and charges for Non-Freon Appliances, Compostable Waste, and mulch sold by the RSWA. RSWA and County staff have weighed the potential financial and market implications of the proposed fee adjustments and concur that they would have no substantial impact on the amount of annual tonnage received, and that the proposed tipping fee adjustments reflect a prudent response to increasing costs.

BUDGET IMPACT: The proposed increase in the municipal solid waste tipping fee rate would reduce the anticipated County FY 24 financial contribution for the operation of the Ivy MUC. The amount of the reduction would depend upon tonnage of waste processed through the facility.

RECOMMENDATION:

Staff recommends that the Board adopt the Resolution (Attachment C) to request the proposed adjustments of tipping fees and other charges.
